Welcome to  
Preschool

## Tips for Pre-K Readiness:

-We are getting ready to write! You can help by having your child play with Play Doh, squeeze clothespins open and shut, drawing/coloring, pulling stickers off of a sticker sheet, tearing paper, buttoning, and doing puzzles. This helps strengthen hand/finger muscles.

-We have swings on the playground! Going to the park and having your child practice swinging would be very helpful.

-At meal times, have your child practice opening any packaged food (this will also help strengthen those hand muscles!)

-Have your child practice dressing himself/herself, including zipping, buttoning, or snapping shorts after using the restroom.

-Have your child practice waiting for things. We sometimes have to wait a couple minutes for all students to finish doing something, such as using the restroom or finishing lunch.

Thanks for all you do! We are looking forward to a great year!
